CN01538K1

**Remarks**

Claim 1 has been amended in compliance with the election of Group I of the Requirement for Restriction issued April 6, 2005.

The definition of "m" has been changed in Claims 2 and 6 from "1, 2 or 3" to "2 or 3". Applicants note that when "n is 0 or 1" and when "m" is 1, the sum of  $m + n$  cannot be 3.

The phrase "wherein X and Y are as defined" has been deleted from Claim 4.

Claims 12-14 have been cancelled without prejudice.

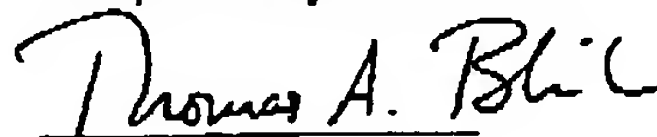

No new matter is believed to have been added by entry of these amendments. Claims 1-11 and 15-31 are active.

The rejection of Claims 12-14 under 35 U.S.C. §101 is obviated by the deletion of these claims. Accordingly, Applicants respectfully request that the rejection be withdrawn.

The rejection of Claims 1-11 and 15-31 under the judicially created doctrine of obviousness-type double patenting is obviated by the filing herewith of a Terminal Disclaimer over U.S. Application No. 10/358,898. Accordingly, Applicants respectfully request that the rejection be withdrawn.

Applicants respectfully submit that the claims are now allowable. Early notification thereof is respectfully requested.

Respectfully submitted,

Thomas A. Blinka  
Attorney for Applicant  
Reg. No. 44,541
